

SIMPLIFY RETAIL.™

“If only there was a simple and safe alternative to the portable infant seats that parents bring with them.”

## SAFE-SEAT® ELITE

Keeps infants safe and comfortable so parents can shop longer and buy more.

The world of retail can be a complicated place. At Safestrap™ we are committed to simplifying it.

## A safer alternative to personal infant carriers

Personal infant carriers are not recommended for use with shopping carts and account for hundreds of accidents in retail stores each year. In fact, car seat and infant carrier manufacturers warn against using these products with shopping carts. The Safe-Seat Elite is a safe and convenient alternative that is specifically designed to permanently attach to the shopping cart. Safe-Seat Elite provides a safe and convenient way to shop with an infant so parents can shop longer.

◀ The deep seat is safe and allows the infant to face the parent. ▶

▲ Unique mechanical leveling system ensures a 45° angle on all carts. ▼

▲ 3-point seat belt is coated in Dura-Coat™. Available in red, black and blue.

## FEATURES |

- 1 The integrally molded seat surface is mildew and tear resistant.
- 2 One piece seat integral construction is engineered for durability and long life.
- 3 Dura-Coat™ coated 3-point harness.
- 4 Deep seat draw comfortably contains and protect infants.

# SAFE-SEAT<sup>®</sup> ELITE

The Elite's innovative design allows carts to nest easily.

- 5 Safety graphics are permanently molded into the seat.
- 6 All materials are non-toxic and colorfast.
- 7 Meets all applicable standards and regulations.
- 8 Nests easily to save floor space.
- 9 Sustainable and eco-friendly.

Hard plastic shell comes in blue, dark blue, red or grey.
